TRFFK Digital Advertising

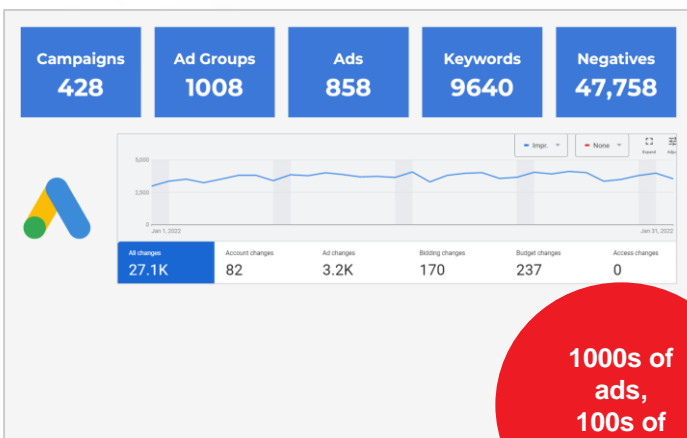

What Is TRFFK?

AutoSync's TRFFK offers AI-powered digital marketing solutions to help OEMs and dealerships convert in-market shoppers to real-time customers. Partly using consumer behaviour data from AutoTrader.ca marketplace, as well as their proprietary digital ads manager Dealer Breacher,

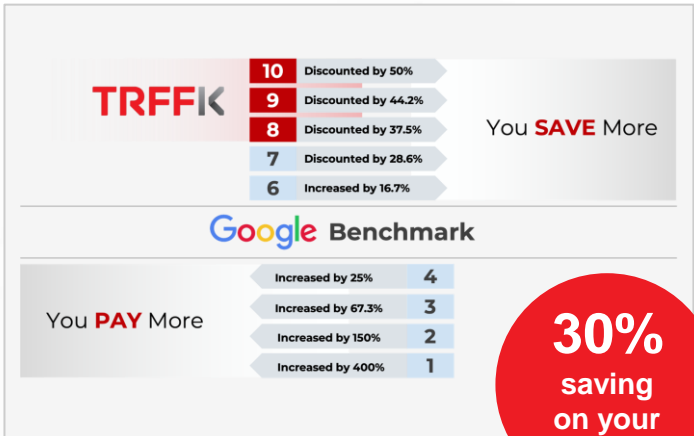

TRFFK experts execute tailored digital advertising campaigns across paid search, display, social media, video, vehicle ads, geofencing and audience retargeting channels. The razor-sharp focus of their campaigns ensures qualified customers are redirected at the lowest, most optimized cost per click.

Lowest Cost-per-click

TRFFK's high Quality Scores and relevant audience targeting leads to the industry's lowest cost per click of \$1.13 - saving dealers on ad spend and increasing exposure.

**1000s of ads,
100s of campaigns**

30% saving on your ad spend

Hundreds of Ads & Campaigns Created Monthly

TRFFK's automation software continuously optimizes & improves campaigns, with thousands of changes per campaign per month.

Adaptive Search Personalizes Buyer Journeys

TRFFK's AI scrapes your website every 24 hours to create VIN and SRP-specific Ads and related landing pages, This results in the highest search query relevance and overall best user experience.

Latest Digital Marketing Strategies

TRFFK is always testing the latest digital marketing strategies to bring to market. Our newest offering - Google Vehicle Ads, is fully released to market gaining dealers valuable clicks, VDP views & conversions on a new platform - ahead of the competition.

TRFFK

Exclusive Access To AutoTrader.ca Remarketing Audiences

Many prospect car buyers start or continue their search for a new or pre-owned vehicle through Canada's largest automotive Marketplace, AutoTrader.ca.

TRFFK has exclusive access to AutoTrader.ca audience lists, importing them into subsequent Search, Social, Display & Video Channels for up to 90 days, a complete buyer's journey.

In-market shoppers are then served highly relevant, higher converting digital advertisements across those Channels. This enhances the hyper-targeting capability of dealer campaigns with the safe, future-proof and sizeable AutoTrader.ca Marketplace data.

Social Media

TRFFK's social media marketing strategies target in-market shoppers on the most popular social network while they browse relevant content.

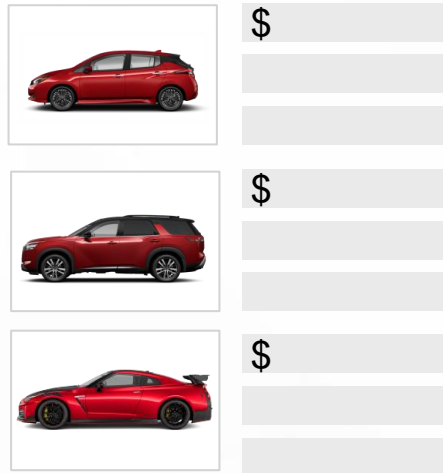

Social Dynamic Inventory

Leverage your inventory to show targeted ads across all social platforms.

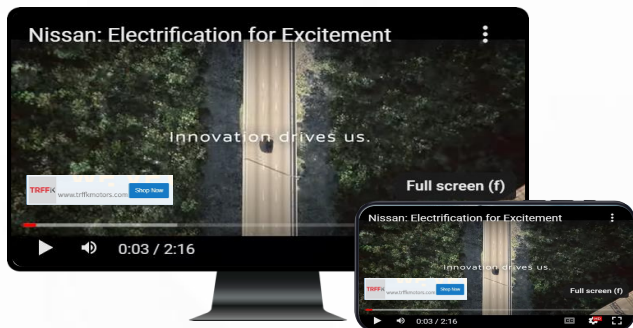

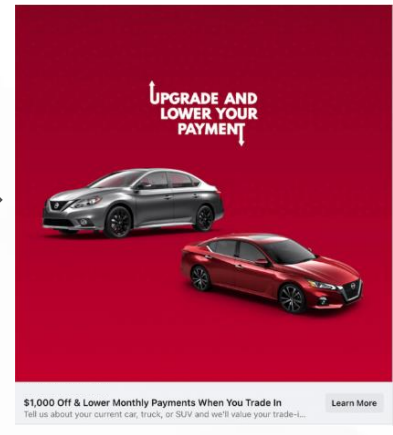

TRFFK links straight to static pages, dealer VDPs or natively on Facebook, Instagram & TikTok (Pilot).

TRFFK executes Static, Carousel, Collection, Dynamic Product Ads, Lead ads, On-Facebook AIA, Messenger ads, Spark ads.

Video Marketing

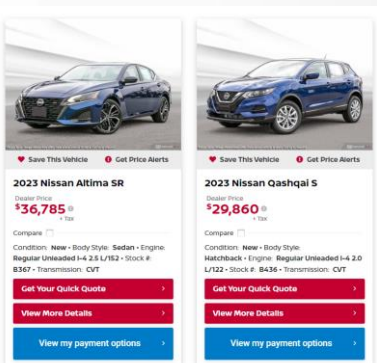

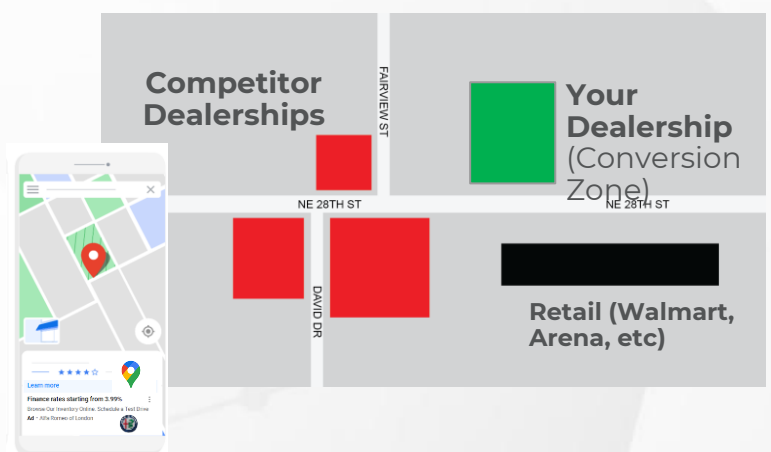

A diverse media mix is essential and TRFFK's video marketing strategies get you the most views with the right audiences.

Let our creative services create affordable, professional videos to advertise across YouTube, Facebook, Instagram & TikTok.

Geofencing

TRFFK's proprietary technology ensures a presence in the physical spaces of large venues and competitor dealerships.

More powerful & accurate than IP Targeting, remarket users with HTML5 ads on user's mobile phones.

Display Ads on DV360

Remarket your AutoTrader.ca VDP users & website users on the high quality DV360 network.

Use the network to **conquest buyers with dynamic inventory campaigns** that automatically upload photos and prices with direct VDP links

Target in-market shoppers, retargeted audiences and lookalikes for **high-performing campaigns**.

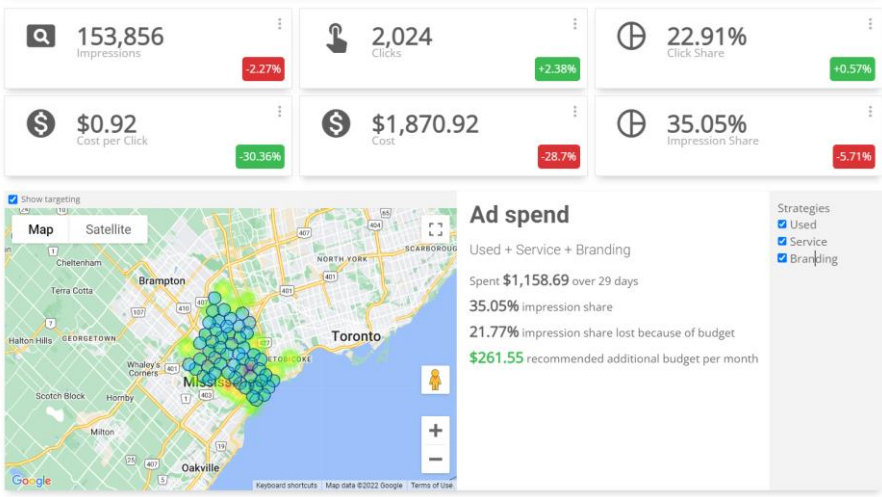

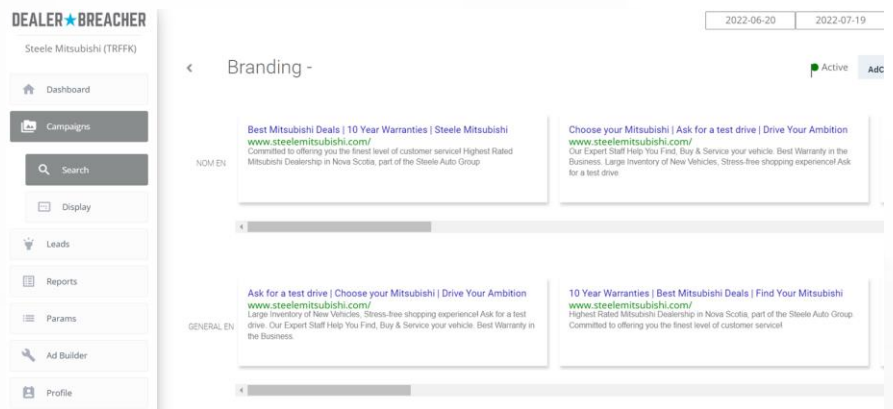

Self Managed Ad Solutions with TRFFK

Use TRFFK's digital ads manager platform known as Dealer Breacher for your own, self-managed digital marketing strategies.

Create, Control, and optimize ads at scale for your vehicles in stock - with real-time pricing and real-time inventory counts reflected in all your current ads.

Automated Campaign Creation

Use Dealer Breacher's Responsive Search Ad platform to automatically create ad campaigns for all vehicles in stock. The AI will best combine custom Headline and Ad copy combinations that are the most relevant for each individual in-market shopper

Proactive Dashboard Tools

View your pertinent KPI's in real-time and adjust strategies instantly. Benefit from the Dealer Breacher AI that can recommend increases or decreases in ad spend, keyword trends & show ad influenced sales - all based on current search market demand in your campaigns and targeted areas.
